

Ohio Revised Code

Section 3923.90 Teledentistry to be included in coverage.

Effective: March 20, 2019

Legislation: Senate Bill 259 - 132nd General Assembly

(A) As used in this section, "teledentistry" has the same meaning as in section 4715.43 of the Revised Code.

(B) No individual or group policy of sickness and accident insurance or public employee benefit plan shall deny coverage for the costs of any services provided to an insured through teledentistry if those services would be covered if the services were delivered other than through teledentistry.

(C) The coverage that may not be excluded under division (B) of this section is subject to all terms, conditions, restrictions, exclusions, and limitations that apply to any other coverage for services performed by participating and nonparticipating providers.
